NOTE(S):

1. The Ministry of Corporate Affairs (“MCA”) has, vide its General Circular dated September 19, 2024 read together with circulars dated April 8, 2020, April 13, 2020, May 5, 2020, January 13, 2021, December 8, 2021, December 14, 2021, May 5, 2022, December 28, 2022 and September 25, 2023 (collectively referred to as “MCA Circulars”), permitted convening the Annual General Meeting (“AGM” / “Meeting”) through Video Conferencing (“VC”) or Other Audio Visual Means (“OAVM”), without physical presence of the members at a common venue. In accordance with the MCA Circulars and applicable provisions of the Companies Act, 2013 (“Act”) read with Rules made thereunder and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Listing Regulations”), the AGM of the Company is being held through VC / OAVM. The deemed venue of the AGM shall be the corporate office of the Company.
2. In compliance with the aforesaid MCA Circulars and SEBI Circulars, owing to the difficulties involved in dispatching of physical copies of the Annual Report for the financial year 2024 – 2025 including financial statements (along with Board’s Report, Auditor’s Report and other documents required to be attached therewith), Notice of the 36th AGM along with the Annual Report for the financial year 2024-25 is being sent only through electronic mode to those shareholders whose email addresses are registered with the Company/ Depositories/ Registrar and Share Transfer Agent of the Company. Shareholders may note that this Notice along with Annual Report for the financial year 2024 – 2025 will also be available on the website of the Company at www.jmg-corp.in, website of the Stock Exchange i.e. BSE Limited at www.bseindia.com.
3. Since, this AGM is being held through VC/OAVM pursuant to the MCA Circulars and SEBI Circulars, physical attendance of shareholders has been dispensed with. Accordingly, the facility for appointment of proxies by the shareholders will not be available for this AGM and hence, the Proxy Form and Attendance Slip are not annexed to this Notice. The Route Map for the AGM is also not annexed with this AGM Notice.
4. The Company has appointed National Securities Depository Limited (NSDL) to provide VC/OAVM facility and e-voting facility for the Annual General Meeting.
5. **As per the provisions of Section 103 of the Act, shareholders attending the AGM through VC/OAVM shall be counted for the purpose of reckoning the quorum.**
6. Pursuant to Section 113 of the Act, Corporate Shareholders are required to send the scanned copy (in PDF or JPG format) of the certified Board Resolution/Authority Letter from its governing body, as the case may be, authorizing their representative(s) to attend this AGM through VC/ OAVM and vote on their behalf through remote e – voting or at the AGM, by email from their registered email addresses to the Scrutinizer through e-mail at pkmishra59@yahoo.com with a copy marked to info@jmg-corp.in.
7. The Register of Members and Share Transfer Books of the Company will remain closed from Tuesday, September 23, 2025 to Monday, September 29, 2025 (both days inclusive).
8. Members who are holding shares in physical forms are requested to notify changes in their respective address or Bank details to the Company or to the Registrar and Share Transfer Agent of the Company at the address listed at the top of the Annual Report always quoting Folio Number. In respect of holding in electronic form, members are requested to notify any change in address or Bank detail to their respective depository participant.
9. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in the securities market. Members holding securities in the electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to Indus Sharesree Private Limited (Formerly known as Indus Portfolio Private Limited) or to the Company.
10. Details as per Regulation 36 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with SS-2 in respect of the Directors seeking appointment/ re- appointment at the Annual General Meeting, forms an integral part of the Notice.
11. Relevant documents referred to in the accompanying Notice and explanatory statement shall be available for inspection by the Members on the website of the Company, www.jmg-corp.in up to the date of AGM.

12. Procedure for obtaining the Annual Report, AGM Notice and e-voting instructions by the shareholders whose email addresses are not registered with the depositories or with RTA on physical folios:

Members who have not registered their email addresses and in consequence the Annual Report including Notice of AGM and e-voting instructions could not be served, may get their email address and mobile number registered with the Company's Registrar and Share Transfer Agent namely, Indus Shareshree Private Limited (Formerly known as Indus Portfolio Private Limited), G-65, Bali Nagar, New Delhi-110015 ("RTA") by sending their request letters, signed by the shareholders along with self- attested copies of PAN card and address proof to register their email ids. Shareholders are requested to follow the process as guided to capture the email address and mobile number for sending the soft copy of the notice and e-voting instructions along with the User ID and Password. In case of any queries, shareholder may write to info@jmg-corp.in.

13. In order to communicate the important and relevant information and event to the members, including quarterly results in cost efficient manner, the members are requested to register their email addresses with the Registrar & Share Transfer Agents (RTA) in case of shares held in physical form and with their respective Depository Participants (DP) in case of demat holdings.
14. Member may also note that the Notice of the 36th AGM and the Annual Report 2024 – 25 will be available on the Company's website www.jmg-corp.in.

FOR THE FINANCIAL YEAR ENDED 31st March, 2025

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
JMG Corporation Limited
574, 2nd Floor, Main Road Chirag Delhi, New Delhi-110017

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practice by **JMG Corporation Limited**, having CIN: L31104DL1989PLC362504 ("hereinafter called the company"). Secretarial audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon. I report that: -

- a. Maintenance of secretarial records is the responsibility of the management of the company. My responsibility is to express an opinion on these secretarial records based on my audit.
- b. I have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the secretarial records. The verification was done on test basis to ensure that correct facts are reflected in the secretarial records. I believe that the process and practices, I followed, provide a reasonable basis for my opinion.
- c. Wherever audit has required my examination of books and records maintained by the Company. I have relied upon electronic versions of such books and records, as provided to me through online communication. Considering the effectiveness of information technology tools in the audit processes. I have conducted online verification and examination of records, as facilitated by the Company, for the purpose of issuing this report. In doing so, I have followed the guidance as issued by the Institute. I have conducted online verification and examination of records, as facilitated by the Company.
- d. I have not verified the correctness and appropriateness of financial records and books of accounts of the Company as well as the correctness of the values and figures reported in various disclosures and returns as required to be submitted by the Company under the specified laws, though I have relied to a certain extent on the information furnished in such returns;
- e. I have held discussion with the management on several points and wherever required, I have obtained the management representation about the compliance of law, rules and regulations and happening of events etc.
- f. The Compliance of the provisions of the corporate and other applicable laws, rules and regulations, standards is the responsibility of the management. My examination was limited to verification of procedures on test basis.
- g. The contents of this report have to be read in conjunction with and not in isolation of the observations, if any, in the report(s) furnished/ to be furnished by any other auditor(s)/ agencies/ authorities with respect to the company;
- h. The secretarial audit report is neither an assurance as to the future viability of the company nor of the efficacy or effectiveness with which the management has conducted the affairs of the company.

Based on my verification of the company books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering for the financial year ended on March 31, 2025 ('Audit Period'):

- complied with the statutory provisions listed hereunder and
- Proper Board-processes and compliance mechanism in place,

INDEPENDENT AUDITORS' REPORT

To The Members of JMG

Corporation Limited Report on the

Financial Statements

Opinion

We have audited the accompanying financial statements of **JMG Corporation Limited** ("the Company"), which comprise the Balance Sheet as at 31st March 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow statement and the Statement of changes in Equity for the year ended on that date and notes to the financial statements, including a summary of the material accounting policies and other explanatory information (hereinafter referred to as "The Financial Statements").

In our Opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013, as amended ("The Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2025, its profit (including Other Comprehensive Income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to be communicated in our report.

Other Information

The Company's Management and Board of Directors are responsible for the preparation of other information. The other information comprises the information included in the Management Discussion and analysis, Board's Report including Annexures to Board's Report, Business Responsibility report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company

in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, based on our audit we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flow and the Statement of Changes in Equity dealt with by this report are in agreement with the relevant books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors as on 31st March 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - (g) In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i) There are no pending litigations requiring disclosure of its impact on its financial position in its financial statement.
 - ii) There are no material foreseeable losses, on long-term contracts including derivative contracts requiring provisions.
 - iii) There are no amounts, required to be transferred, to the Investor Education and Protection Fund by the company.
 - iv) (a) The Management has represented that, to the best of its knowledge and belief as disclosed in Note 31 (a) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the

Company to or in any other person(s) or entity(ies), including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b)The Management has represented, that, to the best of its knowledge and belief as disclosed in Note 31 (b) to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c)Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations as provided under (a) and (b) above, contain any material misstatement.

- v) V). According to the information and explanations given to us and based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended 31st March 2025 which has the feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

Annexure - B to the Auditors' Report

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("The Act")

We have audited the internal financial controls over financial reporting of **JMG Corporation Limited** ("the Company") as of 31st March 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('The ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- i. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- ii. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- iii. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the ICAI.

Material Accounting Policies

(Forming part of Financial Statements for the year ended March 31, 2025)

A. CORPORATE FINANCIAL INFORMATION

JMG Corporation Limited (“Company”) is a Public Limited Company domiciled in India and incorporated on May 01, 1989 under the provisions of the Indian Companies Act, 1956 having its registered office at 574, 2nd Floor, Main Road Chirag Delhi New Delhi-110017 and listed on and Bombay Stock Exchange.

MATERIAL ACCOUNTING POLICIES

A.1 Basis of preparation and measurement

The financial statements of the Company have been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 (‘Ind-AS’) issued by the Ministry of Corporate Affairs(‘MCA’).

The financial statements for the year ended 31st March 2025 were authorised and approved by the Board of Directors on 28 May, 2025.

The financial statements have been prepared on a going concern basis in accordance with accounting principles generally accepted in India. Further, the financial statements have been prepared on historical cost basis except for certain financial assets, financial liabilities, derivative financial instruments and share based payments with are measured at fair values as explained in relevant accounting policies.

A.2 Use of Estimates and Critical Accounting Judgments

In preparation of the financial statements, the company makes judgments, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources, the estimates and the associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and the underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised and future periods affected.

Significant judgments and estimates relating to the carrying amounts of assets and liabilities include useful lives of tangible and intangible assets, impairment of tangible assets and intangible assets, provision for employee benefits and other provisions, recoverability of deferred tax assets and commitments and contingencies

A.3 Property, plant and equipment

An item of property, plant and equipment is recognized as an asset if it is probable that future economic benefits associated with the item will flow to the Company and its cost can be measured reliably. This recognition principle is applied to the costs incurred initially to acquire an item of property, plant and equipment and also to costs incurred subsequently to add to, replace part of, or service it. All other repair and maintenance costs, including regular servicing, are recognized in the statement of profit and loss as incurred. When a replacement occurs, the carrying amount of the replaced part is de-recognized. Where a tangible property, plant and equipment comprise major components having different useful lives, these components are accounted for separate items.

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment. Cost includes all direct costs and expenditures incurred to bring the asset to its working condition and location for its intended use. Trial run expenses (net of revenue) are capitalized. Borrowing costs during the period of construction is added to the cost of eligible tangible assets.

The gain or loss arising on disposal of an asset is determined as the difference between the sale proceeds and the carrying amount of the asset, and is recognized in the statement of profit and loss.

A.4 Depreciation on Property, Plant and Equipment

Depreciation on property, plant and equipment is calculated on the basis of straight-line method as per the useful life prescribed in schedule II of the Companies Act, 2013.

A.5 Impairment

At each balance sheet date, the company reviews the carrying amounts of its property, plant and equipment to

Material Accounting Policies

(Forming part of Financial Statements for the year ended March 31, 2025)

determine whether there is any indication that the carrying amount of those assets may not be recoverable through continuing use. If any such indication exists, the recoverable amount of the asset is reviewed in order to determine the extent of impairment loss (if any). Where the asset does not generate cash flows that are Independent from other assets, the Company estimates the recoverable amount of the cash generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted. An impairment loss is recognized in the statement of profit and loss as and when the carrying amount of an asset exceeds its recoverable amount.

Where an impairment loss subsequently reverses, the carrying amount of the asset (or cash generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash generating unit) in prior years. A reversal of an impairment loss is recognized in the statement of profit and loss immediately.

A.6 Foreign currency transactions

The financial statement of the Company is presented in INR, which is the functional currency of the company and the presentation currency for the financial statement.

In preparing the financial statements of the Company, transactions in currencies other than the entity's functional currency are recorded at the rates of exchange prevailing on the date of the transaction. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at the end of reporting period. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing on the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not translated.

Exchange differences arising on the retranslation or settlement of other monetary items are included in the statement of profit and loss for the period.

A.7 Financial assets

a) Cash and bank balances

Cash and bank balances consist of:

- i) **Cash and cash equivalents**- which include cash in hand, deposits held at call with banks and other short-term deposits which are readily convertible into known amounts of cash, are subject to an insignificant risk of change in value and have maturities of less than one year from the date of such deposits. These balances with banks are unrestricted for withdrawal and usage.
- ii) **Other bank balances**- which include balances and deposits with banks that are restricted for withdrawal and usage.

b) Financial assets at amortized cost

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial assets measured at fair value

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of Principal and interest on the principal amount outstanding.

Financial asset not measured at amortized cost or at fair value through other comprehensive income is carried at fair value through profit or loss.

d) Impairment of financial assets

Loss allowance for expected credit losses is recognized for financial assets measured at amortized cost and fair value through other comprehensive income.

Material Accounting Policies

(Forming part of Financial Statements for the year ended March 31, 2025)

The Company recognizes life time expected credit losses for all trade receivables that do not constitute a financing transaction.

For financial assets whose credit risk has not significantly increased since initial recognition, loss allowance equal to twelve Months expected credit losses is recognized. Loss allowance equal to the life time expected credit losses is recognized if the credit risk on the financial instruments has significantly increased since initial recognition.

e) De-recognition of financial assets

The Company de-recognizes a financial asset only when the contractual rights to the cash flows from the asset expire, or it Transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the Transferred asset, the Company recognizes its retained interest in the assets and an associated liability for amount it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognize the financial asset and also recognizes a collateralized borrowing for the proceeds received.

A.8 Financial liabilities and equity instruments Classification as debt or equity

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Financial Liabilities

Trade and other payables are initially measured at fair value, net of transaction costs, and are subsequently measured at amortized cost, using the effective interest rate method where the time value of money is significant.

Interest-bearing bank loans, overdrafts and issued debt are initially measured at fair value and are subsequently measured at amortized cost using the effective interest rate method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognized over the term of the borrowings in the statement of profit and loss.

De-recognition of financial liabilities

The company derecognizes financial liabilities when, and only when, the company's obligations are discharged, cancelled or they expire.

A.9 Revenue

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable net of discounts, taking in to account contractually defined terms and excluding taxes or duties collected on behalf of the government.

a) Services

Revenue from services rendered is recognized as the service is performed based on agreements/arrangements with the concerned customers. Revenue exclude service tax/Goods and Services tax collected from customers.

b) Sale of Goods

Sale of goods are recognized when the significant risk and rewards of ownership are passed on to the customers which generally coincide with dispatch of goods sales exclude taxes.

c) Interest

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

A.10 Income taxes

Material Accounting Policies

(Forming part of Financial Statements for the year ended March 31, 2025)

Tax expense for the year comprises current tax and deferred tax. The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the statement of profit and loss because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The company's liability for current tax is calculated using tax rates and tax laws enacted as applicable to the relevant reporting period.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the balance sheet liability method. Deferred tax liabilities are generally recognized for all taxable temporary differences. In contrast, deferred tax assets are only recognized to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax is calculated at the tax rates that are expected to be applicable for the period when the liability is settled or the asset is realized based on the tax rates and tax laws that have been enacted or substantially enacted by the end of the reporting period. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the company expects, at the end of the reporting period, to cover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are off set to the extent that they relate to taxes levied by the same' tax authority.

Current and deferred tax are recognized as an expense or income in the statement of profit and loss, except when they relate to items credited or debited either in other Comprehensive income or directly in equity, in which case the tax is also recognized in other comprehensive income or directly in equity.

A.11 Leases

The Company determines whether an arrangement contains a lease by assessing whether the fulfillment of a transaction is dependent on the use of a specific asset and whether the transaction conveys the right to use that asset to the company in return for payment. Where this occurs, the arrangement is deemed to include a lease and is accounted for either as finance or operating lease.

Leases are classified as finance leases where the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

When Company is Lessee:

Finance lease

Finance leases are capitalized at the commencement of lease, at the lower of the fair value of the property or the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet as a finance lease obligation. Lease payments are apportioned between finance charges and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are charged directly against income over the period of the lease

Operating Lease

Leases in which a significant portion of the risks and reward of ownership are not transferred to the company such lease is classified as operating lease, payments under operating lease (net of any incentives received from lessor) are charged to Profit and Loss Account on straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

A.12 Provisions and contingent liabilities

Provisions are recognized in the balance sheet when the company has a present obligation (legal or constructive) as a result of a past event, which is expected to result in an outflow of resources embodying economic benefits which can be reliably estimated. Each provision is based on the best estimate of the expenditure required to settle the present obligation at the balance sheet date. When appropriate, provisions are measured on a discounted basis.

Material Accounting Policies

(Forming part of Financial Statements for the year ended March 31, 2025)

Constructive obligation is an obligation that derives from an entity's actions where:

- (a) By an established pattern of past practice, published policies or a sufficiently specific current statement, the entity has indicated to other parties that it will accept certain responsibilities and
- (b) As a result, the entity has created a valid expectation on the part of those other parties that it will discharge those responsibilities.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or nonoccurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements

A.13 Employee benefits

Defined contribution plans

Payments to defined contribution plans are charged as an expense as they fall due. Payments made to state managed retirement benefit schemes are dealt with as payments to defined contribution schemes where the company's obligations under the schemes are equivalent to those arising in a defined contribution retirement benefit scheme.

Defined benefit plans

For defined benefit retirement schemes the cost of providing benefits is determined using the Projected Unit Credit Method, with actuarial valuation being carried out at each balance sheet date. Re-measurement gains and losses of the net defined benefit liability/ (asset) are recognized immediately in other comprehensive income. The service cost, net interest on the net defined benefit liability/ (asset) is treated as a net expense with in employment costs.

Past service cost is recognized as an expense when the plan amendment or curtailment occurs or when any related restructuring costs or termination benefits are recognized, whichever is earlier.

The retirement benefit obligation recognized in the balance sheet represents the present value of the defined-benefit obligation.

Short term compensated Absences/Leave Encashment

Liability in respect of Compensated absences/ leave encashment due is recognized on the basis of undiscounted value of estimated amount required to be paid or estimated value of benefit expected to be availed by the employees.

A.14 Earnings Per Share (EPS)

The earnings considered in ascertaining the company's EPS comprise the Net Profit or Loss for the period after tax. The basic EPS is computed on the basis of weighted average number of equity shares outstanding during the year. The number of shares for computation of diluted EPS comprises of weighted average numbers of equity shares considered for deriving basic EPS and also the weighted average numbers of equity shares, which could be issued on the conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the year unless they are issued at a later date. The diluted potential equity shares are adjusted for the proceeds receivable assuming that the shares are actually issued at fair value. The number of shares and potentially dilutive shares are adjusted for share splits/reverse share splits (consolidation of shares) and bonus shares, as appropriate.

A.15 Cash Flow Statement

Cash flows are reported using the indirect method, whereby net profits before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from regular revenue generating, investing and financing activities of the Company are segregated.

Material Accounting Policies

(Forming part of Financial Statements for the year ended March 31, 2025)

A.16 Borrowing Costs

Borrowings costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for the intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

Notes to Accounts

(Forming part of Financial Statements for the year ended 31 March, 2025)

24. The Company has not recognized deferred tax assets in respect of losses as there is no reasonable certainty supported by convincing evidence of their recover-ability in the near future.
25. Some of the balances of Loans, Other advances and trade receivables are subject to reconciliation and confirmation from respective parties. The balances of said items are taken as shown by the books of accounts. The ultimate outcome of such reconciliation and confirmation cannot presently be determined, therefore, no provision has been made that may result out of such reconciliation and confirmation.

In the opinion of management, advances given to other are in ordinary course of business and are not loans or advances in the nature of loans, hence classified accordingly.

26. The Company's Business activity falls within two business segments i.e. "Rendering of Services" & "Trading of Goods". The Company operates in only one geographical segment i.e. domestic. Segment information is given as per the provisions of Ind AS 108.

Revenue and identifiable operating expenses in relation to segments are categorized based on items that are individually identifiable to that segment.

Assets and liabilities used in the Company's business are not identified to any of these portable segments, as these are used interchangeably between segments. Management believes that it is currently not practicable to provide segment disclosures relating to total assets and liabilities since a meaningful segregation of the available data is onerous.

29. Employee Benefits:

1- Post-Employment Obligations – Gratuity

The Company provides gratuity for employees in India as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement/termination is the employees' last drawn basic salary per month computed proportionately for 15 days salary multiplied by the number of years of service. For the funded plan the Company makes contributions to recognised funds in India. The Company does not fully fund the liability and maintains a target level of funding to be maintained over a period of time based on estimations of expected gratuity payments.

The amounts recognised in the Statement of Financial Position and the movements in the net defined benefit obligation over the year are as follows:

3. Actuarial Assumptions

Company attention was drawn to provisions of accounting standard that actuarial assumptions are an entity's best estimates of variables that will determine the ultimate cost of providing post-employment benefits and shall be unbiased & mutually compatible.

a) Economic Assumptions

The principal assumptions are the discount rate & salary growth rate. The discount rate is generally based upon the market yields available on Government bonds at the accounting date relevant to currency of benefit payments for a term that matches the liabilities. Salary growth rate is company's long term best estimate as to salary increases & takes account of inflation, seniority, promotion, business plan, HR policy and other relevant factors on long term basis as provided in relevant accounting standard. These valuation assumptions are as follows & have been received as input from you.

	31/03/2024	31/03/2025
i) Discounting Rate	7.22	7.04
ii) Future salary Increase	7.50	7.50

b) Demographic Assumption

Attrition rates are the company's best estimate of employee turnover in future determined considering factors such as nature of business & industry, retention policy, demand & supply in employment market, standing of the company, business plan, HR Policy etc. as provided in the relevant accounting standard. Attrition rates as given below have been received as input from the company.

From 31 to 44 years	2.00	2.00
Above 44 years	1.00	1.00

It should be noted that in case of employees above retirement age, for the purpose of valuation it is assumed they will retire immediately & benefit is considered up to actual retirement age.

Mortality & Morbidity rates - 100% of IALM (2012-14) rates have been assumed which also includes the allowance for disability benefits.

c) Any changes in assumptions from previous valuation are evident as above tables show assumptions of previous & current valuation. Any changes in assumptions are reported by the Company.

d) Company attention was drawn to provisions of accounting standard that actuarial assumptions are an entity's best estimates of variables that will determine the ultimate cost of providing post-employment benefits and should be unbiased & mutually compatible. Determination of actuarial assumptions depend on factors such as nature of business & industry, retention policy, demand & supply in employment market, standing of the company, business plan, HR Policy etc. I do not have access to or possess full knowledge of all these factors & has used the assumptions provided by the company. Under the circumstances, I consider the assumptions provided by the company are in generality reasonable.

4. Actuarial Method

a) I have used the projected unit credit (PUC) actuarial method to assess the plan's liabilities allowing for retirement, death-in-service and withdrawal and also compensated absence while in service.

b) Under the PUC method a projected accrued benefit is calculated at the beginning of the period and again at the end of the period for each benefit that will accrue for all active members of the plan. The projected accrued benefit is based on the plan accrual formula and upon service as at the beginning and end of the period, but using member's final compensation, projected to the age at which the employee is assumed to leave active service. The plan liability is the actuarial present value of the projected accrued benefits as on the date of valuation for active members.

5. Scale of Benefits

a)	Salary for calculation of gratuity	Last drawn qualifying salary.
b)	Vesting Period	5 years of service.
c)	Benefit on normal retirement	As per the provisions of payment of Gratuity Act 1972 as amended.
d)	Benefit on early retirement / withdrawal / resignation	Same as normal retirement benefit based on service upto the date of exit.
e)	Benefit on death in service	Same as normal retirement benefit based on service upto the date of death & no vesting conditions apply.
f)	Limit	No Limit.
g)	Gratuity formula	$15/26 \times \text{Last drawn basic salary} \times \text{completed service}$

No discretionary benefits policy of past & future have been reported & valued by me.No change in benefit scales has been reported since the last valuation.

6. Plan Liability

The actuarial value of gratuity liability calculated on the above assumptions works out as under:
